8-6. Tech. Rep. Card

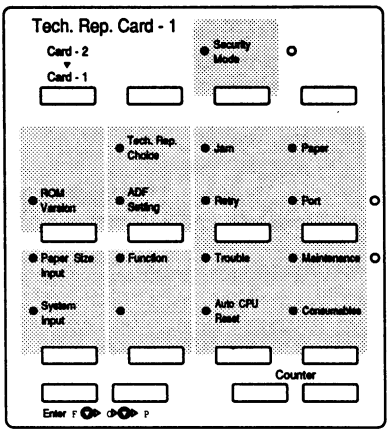

8-6-1. Entering the Tech. Rep. Mode

1. Flip the System Panel to the left and place the Tech. Rep. Card shown below on the Supplementary Panel.
2. Press the Keys "▽" → "0" → "▽" → "1", in that order.
3. This sets the copier into the Tech. Rep. mode. Now, operate the panel as instructed by the Message Display.

* For details on the Tech. Rep. mode functions and associated operating instructions, see SWITCHES ON PWBs.
