H. Auto CPU Reset Counter

1136S211CA

- If automatic CPU resets have occurred, the corresponding numerals are highlighted.

Example:

1136S125CA

Indicates that automatic CPU resets occurred in the Elements corresponding to "2" and "5".

Clearing procedure

1) Using the Cursor Key, select the numeral corresponding to the occurrence of the automatic CPU reset.
2) Using the Clear Key, restore the highlighted numeral to normal.

Screen Display	Element
